ADD VALUE TO YOUR HOME WITH A NEW GARAGE DOOR!

Superior Overhead Doors Provides Beautiful Garage Doors With Unparalleled Strength & Durability.

BY VALUENEWS.COM

Since 2008, Superior Overhead Door serves the Tulsa Metro area and has been a seasoned winner in accommodating their customers with different garage door styles and colors to drastically enhance your home's curb appeal, add to your home's aesthetic, and improve its resale value.

Adding a new garage door is one of the best home improvement projects to increase your home's value.

According to a study coordinated by Remodeling Magazine and JLCOnline Cost vs Value, a garage door replacement returns 193% of the investment cost for the homeowner. That's the highest recoup value of more than 23 home improvement projects in the study. In other words, for every \$1,000 you invest in a garage door, \$1,939 is added to the value of your home. JConline is a site which compares average costs for 23 remodeling projects with the value those projects retain at resale in 150 U.S. markets.

If that's not enough, here are more reasons for considering replacing your garage door:

- Newer garage door models have better insulation that can save you on heating and cooling bills.
- They are made more durable and beautiful than every before.
- Endless style and color options.
- They last longer.

When Should You Replace Your Garage Door?

Garage doors, depending on the quality of fabrication, have a lifespan of 15 to 30 years. Oklahoma weather, usage, and maintenance history are some of the factors that impact the life of your garage door. As your door ages, its functionality, style and grace also age making your door vulnerable as time goes on. If your garage door isn't opening and closing properly and possibly riddled with minor damage it can be time for a new door. Superior Overhead Door is known for their product lines which offer customers design innovation and uncompromising performance.

Their selection of residential and commercial garage doors selection include both ready made and custom products, along with high quality openers, friendly technicians who provide expert repairs.

Keeping Your Garage Door in Tip-Top Shape

Broken springs are a menace that can leave you trapped in or out of your garage. It's an inconvenience that can possibly be avoided. Maintaining your current garage door is a task that should be scheduled on an annual basis. It's recommended to have your garage door serviced at least once a year by a professional technician who will inspect and test all the components of your garage door and opener, including the springs, cables, rollers, hinges, tracks and safety sensors. Superior Overhead Doors uses the best replacement parts for most every situation. They service most makes and models and technicians are typically stocked with most parts to get the job done quickly.

Shop at the Superior Overhead Door Showroom or get an On-Site Consultation
